NOVEMBER IS VETERAN APPRECIATION MONTH AT WILLARD AIRPORT
Free parking during November for members of armed forces

SAVOY, IL (November 1, 2018) – Willard Airport salutes all members of the armed forces and as a token of appreciation is offering free parking for the entire month of November to all veterans and active duty service members.

“We recognize the importance of our military year around,” says Gene Cossey, Willard Airport Executive Director. “This is just a small token of our appreciation for all they have done and continue to do.”

Veterans who wish to take advantage of the free parking simply need to stop in to the administrative offices during normal business hours (8 AM to 4:30 PM, excluding the noon hour) with their military ID to obtain a coupon. If you are traveling through the airport during non-business hours, contact the airport at 217-244-8604 or Willard-airport@illinois.edu.
